

Choice® 100 Sterile

Sterile Cellulose / Polyester Nonwoven Cleanroom Wiper

It's Choice®. The value tiered category of wipers offering all the performance consistency of higher priced wipers.

Best of all, Choice® is from Berkshire, the most trusted name in contamination control products. Which means quality you can count on. What's more, Choice® is backed by the Berkshire Guarantee - your money back

if our wiper fails to perform according to specifications.

Key Attributes

- 65% cellulose / 35% polyester hydroentangled nonwoven blend
- No binders or other chemical additives
- Gamma irradiated and sterile validated to a 10⁻⁶ Sterility Assurance Level per AAMI guidelines
- Linear Tear Style
- Lot number on each pack
- Certificate of Sterility with each case and available on the web by lot number 24/7. Details: Date of Manufacture, Radiation Dosage, Lot Information, Meets cGMP requirements for traceability

Benefits

- Excellent combination of the synthetic polyester strength and cleanliness with the absorbent characteristics of cellulose
- Smooth surface with excellent strength and durability
- High absorbency compared to typical cellulose / polyester nonwoven wipers can reduce actual wiper usage in spill or solution removal applications
- Low extractable levels and particle counts
- Chemically compatible with common cleaning and disinfecting solutions including IPA, phenols, bleaches and quarternary ammonium compounds

Environmental

- Complies with RoHS 2002/05 and Reach requirements
- High absorbency design can reduce landfill waste when compared to most typical cellulose / polyester nonwoven wipers
- 65% cellulose fiber content is biodegradable

Applications

- Designed for use in ISO Class 5 and higher sterile environments where microbial exclusion is demanded
- Designed for cleaning sterile surfaces and equipment during aseptic processing
- General wiping in component prep, compounding and wash areas
- General wipedowns in sterile gowning rooms
- Applying and removing cleaning and disinfecting solutions and spill pick up
